Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 170 lu., mandates that the Department ensure that employment and other economic activities generated by its housing and community development assistance programs are directed toward Low- and very low-income persons, particularly those who are recipients of government assistance for housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to HUD, and by recipients as a self-monitoring tool.
